L V AUGUSTA COSMEA - Lot No. 11

### *From the Owner . . .*

I felt very fortunate indeed when I was able to buy the entire E & M Cattle Company herd from Columbia City, Indiana, a few years ago with which to found the Loch-in-Vale herd. It gave me the opportunity of profiting early in the game from the many years of sound breeding and selection that had been carried on by Mr. E. E. Souers. Other cattle were also acquired in the Sni-A-Bar Dispersion Sale.

Loch-in-Vale Farms proved ideally adapted to the production of registered Shorthorns and the herd has done wonderfully well.

Since my election as Attorney General of Colorado a year ago, however, my time has been so fully taken up and I have had to spend so many days away from the farm that it has left me with the regrettable decision of selling the herd and also offering for sale Loch-in-Vale Farms where I have made my home for the past several years. The entire herd is in excellent state of health and production and sells fully guaranteed. They have been bred and raised under natural ranch and farm conditions without pampering and have been developed and bred to improve the breed in both health and constitution.

We, at Loch-in-Vale Farms, extend to you a special invitation to be our guest and to inspect the cattle that will be offered in our Dispersion Sale on Wednesday, January 18, 1950. We hope that you can come early and look over the herd before the sale starts.

JOHN W. METZGER, OWNER  
Broomfield, Colorado.

# TERMS

# CONDITIONS

# GUARANTEE

1. The terms of this sale are cash.
2. Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury.
3. The Metzger Herd is Accredited for Tuberculosis. All animals in the sale have been tested for Bang's Disease within 30 days of the date of the sale and health certificates will be furnished. Calfood vaccination for Bang's Disease has been practiced in the Herd and vaccination certificates will be furnished.
4. A certificate of registry and transfer will be furnished for each animal sold as a separate lot and properly signed applications will be furnished for the registry of all calves at foot and all unborn calves.
5. All bulls in this sale are guaranteed to be breeders if not allowed to run with the herd and if maintained in as good condition as when purchased. In case a bull fails to meet the guarantee, notice must be given within six months of the date of the sale. The purchase price, without interest, will be refunded in case bulls fail to meet the guarantee and the disposal of the animal will be at the option of the seller.
6. Cows with calves at foot are considered breeders and no further guarantee is given. Females that have passed two heat periods will be guaranteed in calf to the service named. In case such service is broken, a cash refund of 15% of the purchase price will be made. Any female not in calf to the service named must be reported within sixty days of the date of the sale. Females with service dates of less than two heat periods are believed to be in calf but are not so guaranteed and no refund will be given in case of broken service. Any change in breeding date from that reported in the catalog will be announced from the auctioneer's box. All females over 16 months of age will be guaranteed to be breeders. In case a female proves a non-breeder, the purchase price, without interest, will be refunded and the disposal of the animal will be at the option of the seller. Notice of females being non-breeders must be reported within six months of the date of the sale. Any cattle in this sale that are fitted for exhibition purposes by their new owners are excluded from the above guarantee.
7. Announcements from the auction box will take precedence over printed matter in the catalog.
8. The above terms and guarantee constitute a contract between John W. Metzger, the seller, and the buyer of each lot. Neither the Sale Manager nor the person delegated as Clerk assumes any liability, legal or otherwise.
9. All persons who attend this sale do so at their own risk and the owner assumes no liability, legal or otherwise, for any accidents that may occur.

## "A First for Fifty"

John Metzger's many duties as Attorney General of Colorado has made it necessary for him to dispose of the entire Loch-in-Vale herd of Scotch Shorthorns . . . one of the most valuable breeding herds in North America.

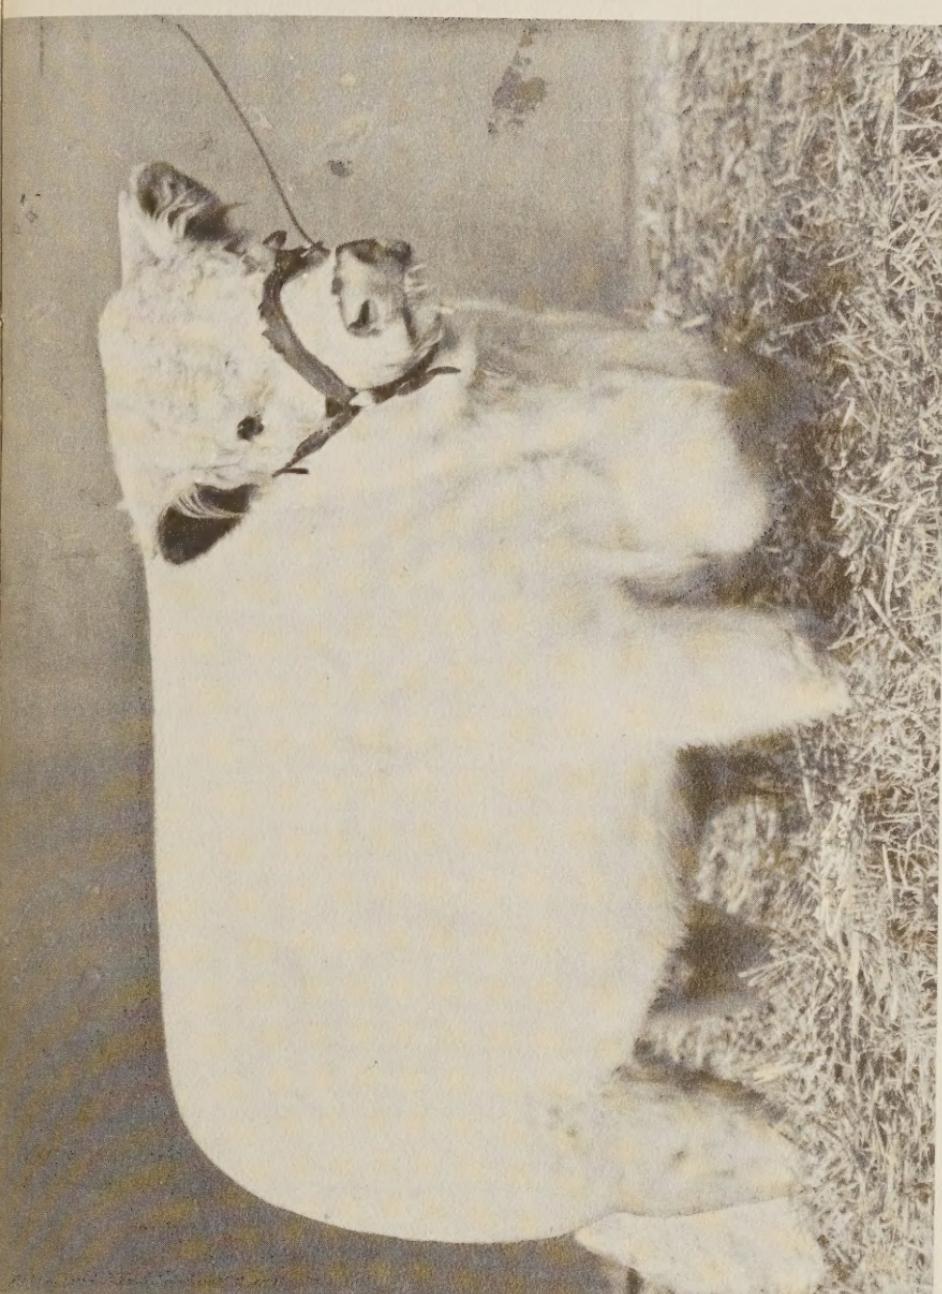

In assembling the information and material for this sale it was my pleasure to spend considerable time with John Metzger and in spite of his very busy and heavy schedule in connection with his job as Attorney General I was amazed at the manner in which he had been able to keep in such close contact with the operation of his Shorthorn herd. This exacting manner of keeping records and careful check on the production records of the herd is a distinct advantage to the new owners of Loch-in-Vale Shorthorns, because they are absolutely going to find them as represented in this sale, with no guess work as to health, breeding, etc. This is in itself, I think, a mighty fine recommendation for any herd of cattle.

As to the offering itself, I think it will measure up well to anything that has been said about it. During the past year when a group of well known cattle men and judges were asked to name the outstanding bulls of the breed within their memories in the poll conducted by the Shorthorn World, the top three bulls as revealed in the August 10th Progress number were Sni-A-Bar Control, Pittodrie Upright and Campeon Mercury. It is significant that this offering is very closely built around the close-up blood of these three leaders.

So, let's make this sale "a first for fifty" . . . first on your list to attend . . . your first choice for better Shorthorns at prices you can afford to pay. These are cattle that can make a great contribution to the Shorthorn breed. Your herd can be better through the use of some of them.

Mervin F. Aegerter, Sale Manager

**E & M CONTROL** - This senior herd sire is the son of Sni-A-Bar Control, undefeated grand champion at the Chicago International, American Royal and Denver Nat'l. Western Livestock Shows in 1945 & 1946. His great grand sire was Calrossie Mercury, a Perth champion. His dam Sni-A-Bar Lady Augusta 4th, was purchased for \$2,000 in the 1945 Sni-A-Bar farms sale. Her dam, Millhills Lady Augusta, was the high selling female of the year when she came to Sni-A-Bar Farms. She was also the dam of Millhills Jasper, used with great success in the Sni-A-Bar Farms herd. The many really outstanding sons and daus. of E & M Control that sell in this sale are the best recommendation any bull could have. He is still young, he is a sure breeder and without a doubt is the greatest breeding son of the bull that was voted the best all around bull of all time by America's leading cattlemen in the Shorthorn World poll in the 1949 Progress number.

**LOCH-IN-VALE UPRIGHT** - Our junior herd sire in the son of the Perth champion Pittodrie Upright, who sold for \$63,000 in 1946. We paid \$5,000 for his dam Augusta Cosmea 2d, the A. J. Marshall bred daughter of Ascreavie Duthie. She also sells in this sale and has another very outstanding solid red bull calf at foot sired by E. & M. Control. This bull is very short legged, heavy boned and burly headed. Both his sire and dam were imported and he has the kind of a pedigree that goes with a great bull. See him and his calves on sale day to further appreciate his potential worth in your herd.

VICTORIA OF ED-RU - Here is the own dam of the noted E & M Blockbuster. To breed the best requires a bull of ideal type, superb character and backed by a pedigree that claims him to have the inherited prepotency to transmit those desirable qualifications to his progeny. In E & M Blockbuster, the E & M Cattle Company had such a bull and you will find several of his daughters and granddaughters in this sale. He was sired by Ed-Ru Command by Edellyn Command by Calrossie Command. We are selling his dam in this sale and she was mated to Loch-In-Vale Upright May 18, 1949.
